Photograph Permission Form

For year 2023

Sometimes photos or video images of Scouts & Cubs taking part in activities are submitted to the local newspapers, the Group, District or Region newsletters, websites, social media platforms such as Instagram or Facebook, or physically printed and put on display. If you have any objections, please indicate that you are not willing for your child's image to be used in this way.

This form will give consent for your child to have their photo taken during Scouting events. It will also give consent to use photos of your child in association with Scouting for the duration of their time in the Scout Group.

Should photos be published which are deemed unsuitable, please feel free to contact one of the Scouters and we will endeavour to remove the photos as soon as possible.
